

Committee Descriptions

Cart Barn

Assist in issuing, maintaining and delivering golf carts.

Corporate Venue Admissions

Greet patrons and verify credentials authorizing entry to corporate venue entrances. Shift times will vary.

Driving Range

Assist staff on the driving range by sorting golf balls, filling range buckets and marshaling the putting green.

First Aid

Assist with First Aid at the tournament. Must be certified and trained EMS.

Gate Ambassadors

Welcome patrons at the two main entrances and check for proper credentials for entry. This committee operates outdoors and is standing for all shifts. Shifts are 7:00 a.m. to 11:00 a.m.; 10:30 a.m. to 2:30 p.m.; 2:00 p.m. to 6:00 p.m.

Laser Operators

Located either greenside or near the fairway, volunteers “shoot” each ball with a survey grade laser (similar to a video camera). Volunteers working greenside are on an elevated platform and may be required to stand for long periods of time. Volunteers have constant voice communication with PGA TOUR staff. Knowledge about the game of golf is preferred. Volunteers are requested to work Thursday through Sunday (four days) and until all players have finished your location. All volunteers working this committee must attend the assigned training session on Saturday, May 12th.

Marshals

Assigned at various fairways, greenside and tee locations, volunteers watch for, locate the professional golfers' balls, and provide marshaling assistance. Shift times will vary. All volunteers working this committee must attend the assigned training session on Saturday, May 12th.

Merchandise

Assist customers and serve as cashiers or assistants in the tournament golf shops. Responsible for directing customers to merchandise, stocking, and working the registers. Retail experience is not required. A sample training will be given onsite.

Player Hospitality

Help hand out fruit and snacks on-course for the player amenities.

Player Transportation (Must be 21 or over)

Drive courtesy cars to pick up golf professionals and their families at the airport, chauffeur them to various locations throughout the week and return them to the airport. Volunteers need to be knowledgeable of the Dallas-Fort Worth metroplex. Volunteers will work both onsite and at the Airport. All volunteers working in Player Transportation are required to pass a motor vehicle records check prior to the tournament.

Standard Bearers

Walk and carry a scoring standard for 18 holes with the professional golfers and walking scorer volunteers and post the appropriate score on the standard. A lottery system is used to assign tee times on Saturday and Sunday. Knowledge about the game of golf is required. Shift times will vary. All Standard Bearers must be able to walk 18 holes in warm weather conditions. Volunteers must register to work Wednesday through Sunday (five days) in order to carry on Saturday and/or Sunday. Requirements are training session on Saturday, May 12th and work Wednesday, May 16th.

Standard Bearers' Tent

Assemble standards, insert names onto standards and assist standard bearers prior to their deployment on the course.

Talent Pool

Fill open volunteer positions on existing committees or fill new requirements that develop during the tournament. This is a great way to experience multiple committees. Shift times will vary depending on placement. No one sits around; everyone will be assigned a position. This a good way for new volunteers to sample multiple committees.

Uniforms

Help out at volunteer orientation on Saturday, May 12th and the week of the tournament with the distributing and selling of volunteer uniforms. Tournament week is working indoors with air conditioning.

Walking Scorers

Walk the course for 18 holes with the professional golfers and standard bearer volunteers carrying a hand held data collection device (palm pilot) to record player, shot location and lie. Volunteers have constant voice communication with PGA TOUR staff. A lottery system is used to assign tee times on Saturday and Sunday. Knowledge about the game of golf *is required*. Shift times will vary. There is a four-day limit on the number of days a volunteer can score and Wednesday must be one of those days. All Walking Scorers must be able to walk 18 Holes in warm weather conditions. Requirements are training on Saturday, May 12th and work on Wednesday, May 16th.

Will Call & Ticket Sales

Check identification of those patrons picking up tickets at the Will Call location at Fair Park, as well as ticket sales on site.

Volunteer Oasis Tent

Handling and distribution of volunteer lunches, snacks and drinks. Working in air conditioned tent for blue and red pant volunteers. Three locations on course.
